Irving Way, London NW9 6AQ

13

010-CPR-06-2013

EN 14351 – 1:2006 + A1:2010

Windows (including roof windows) and external pedestrian doorsets without resistance to fire and / or smoke leakage

Aluminium and glass element for commercial and private buildings

Project reference	Order number / Order name
Element reference	Item reference
System supplier	Cantifix Limited
System description	Silicone bonded fixed vertical panel in a perimeter frame

****NON-SERIES PRODUCT****

Thermal transmittance (W/m²K)	1.35 {< 3.6m²}
Dangerous substances	NONE
Load bearing capacity of safety devices (N)	NONE FITTED
Ability to release (for escape doors only)	NONE FITTED

Reaction to fire (class)	npd
External fire performance (class)	npd
Radiation properties	Light transmittance (%) npd
	Solar Gain (%) npd
Resistance to wind load (class)	npd
Impact resistance of glass (class)	Class A
Watertightness (class)	npd
Air permeability (class)	npd
Acoustic performance (dB)	npd
